

March of Diapers

March 1-31

Collecting Diaper sizes – preemie to size 7, pullups
and baby wipes and baby blankets

(Contact Donna Cox, jimndonnacox@comcast.net, with questions)

5.8 million babies in the United States aged three or younger live in poor or low-income families.

Diapers are **not covered** by government assistance programs such as SNAP or WIC. This oversight causes potential health risks for infants and many difficulties for parents who can't afford diapers.

No parent should have to choose between purchasing food or diapers for their children.

Diapers will be donated to various shelters, including domestic abuse shelters, food banks, care net, and more.

We're also accepting cash donations and we'll do the shopping for you.

You can also order on-line and have delivery to Light of Christ Community Garden
2633 S 355th Pl, Federal Way 98003.

Drop off donations at the garden any Monday or Wednesday between 9-12,
OR at Light of Christ Lutheran Church Tuesday, Wednesday, and Friday
between 10-3 during the month of March.

With love for the babies! Join us from March 1st – 31st
